ABOUT JUSTIN

Justin Herman has spent his career helping kids, students and families follow Jesus. He served as a junior high pastor, contributed to the 2018 edition of *Controlled Chaos: Making Sense of Junior High Ministry* by Kurt Johnston, and today leads Mariners Online, the online congregation of Mariners Church.

In January 2025 he started recording a five-minute devotional for his own kids on the drive to school. Carpooling with Jesus has since passed a million plays and became a nonprofit in 2026. He holds a bachelor's degree in Youth and Family Ministry from Central Christian College of the Bible and lives in Arizona with his wife, Brittany, and their four kids.
